# BULBS

**RODERICK M. CROCKET**

36 HILLCREST AVE.

CRANFORD, NEW JERSEY

**F**LOWERS FROM BULBS, be they Tulips, Daffodils, Hyacinths, Crocus or any of the different bulbs that are available this year, are of the easiest culture whether grown in the House, Greenhouse or Garden. Given good soil, heat, moisture and light these harbingers of Spring will bloom profusely from November until April in the average dwelling, while those that have been planted in the garden will continue the pageant until June.

Terms of Business: All prices quoted herein are based on cash, though we have opened accounts with our regular customers, among whom we would be pleased to include you. The goods are offered subject to being unsold on receipt of order. Prices frequently change as the season progresses and we are sometimes obliged to change them without notice.

We request that orders from parties hitherto unknown to us should be accompanied by cash or satisfactory references.

Claims must be made upon receipt of goods so that if the mistake is ours, adjustment may be made promptly.

Your patronage is respectfully solicited.

RODERICK M. CROCKET,

36 Hillcrest Avenue,

Cranford, N. J.

# GIANT DARWIN TULIPS

If by Parcel Post, add postage at zone rates. Weight, 1 lb. per doz., 7 lbs. per 100

A distinct race of Single Late Tulips with immense flowers, of well-rounded form, on tall, thick stems from 2 to 3 feet in height. This, with their very brilliant colors, ranging from almost pure white through all the shades of pink and purple to the most intense red, makes them unsurpassed for planting out or for cutting.

**SINGLE EARLY TULIPS**

Universal favorites, and the most popular and attractive flowers for early Spring display in the garden or for Winter blooming in the house or conservatory. They are perfectly hardy and of easiest culture in any good garden soil, seldom failing to give the greatest satisfaction. When massed in beds or large clumps, the best effect is obtained.
